We are a non-profit organization, doing public interest environmental work, are we exempted from payment?

Ms. Perry:

We are in receipt of your request for information under FOIA; however, in order to perfect (start) a FOIA request, the requester, must 'state' a dollar amount (minimum \$25.00) that he/she will be willing to pay (that is, in case the requested documents come to a billable amount over \$14.). Once we received your assurance of willing to pay, your request will then be assigned to a FOIA Specialist for processing. We are therefore placing your request in "hold" status until we receive a response from you. If we do not received a response and/or hear from you by September 7, 2010, we will assume that you are no longer interested and your file will be closed. If you have questions, please give me a call at 404-562-8015.
